

SPEAKING TEST 6

Talking about Photographs (4 minutes)

In pairs, do the following task:

Student A: Look at the photographs. They show free-time activities. Compare and contrast the photographs and say which you think is more popular with young people.

Student B: How do you spend your free time?

Student B: Look at the photographs. They show people dealing with environmental problems. Compare and contrast the photographs and say which problem is more urgent in your area.

Student A: Which activity would teenagers be more willing to help with?
